

Housing Authority of Madisonville

NEWSLETTER

April 2026

Is your income up-to-date?

This is a reminder that, per your lease agreement, all income must be reported to the office within 10 days of receipt or start of employment. This includes all sources of income, such as contract or gig work (DoorDash, Spark Delivery, Instacart, Uber), as well as any cash earnings.

Failure to report income may result in retroactive rent charges. You may be required to pay the difference between your previously calculated rent and your updated rent for the entire period during which the income was not reported.

If you have recently started a new job or have any additional income to report, please contact the office as soon as possible.

We have several exciting events planned for our community throughout the month. Please check the attached calendar for a full list of dates, times, and activities. We look forward to seeing you there!

Maintenance Messages

Porches are to be cleared of all trash and household furniture.

Mowing season has begun! This is your friendly reminder to keep all toys and personal items picked up and placed on your porch or inside your unit on a regular basis.

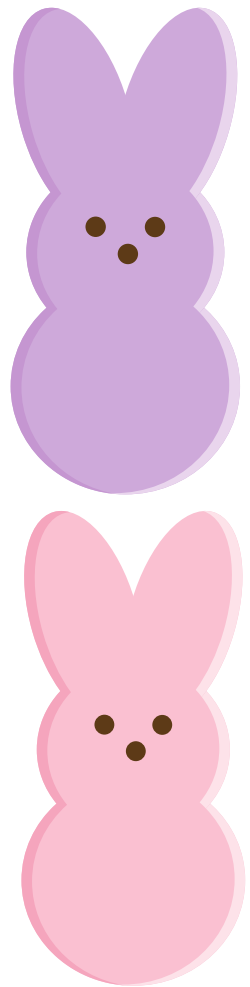

Any items left for two (2) consecutive weeks will be removed by maintenance and disposed of at the dump.

You are also responsible to pick up any and all glass or metal that is in your yard. This is a safety hazard to our maintenance staff and for your neighbors.

Trash day is every Tuesday. Please make sure that **all** trash is placed in your trash bin or in a community trash bin. If maintenance has to pick up trash around your unit, a fee will be charged to your account.
